

DHYG1350: Dental Hygiene III Clinic

Credit Hours: 3

Clock Hours: 0/0/135

This clinic course will provide the opportunity for the student to continue the development of clinical skills necessary to perform the duties of a dental hygienist. Topics will include principles learned in DHYG1230, DHYG1330, DHYG1240, DHYG1340, and continuance of treating patients with special needs.
