

# Program-Specific Selective Admissions Criteria

In addition to meeting the General Admissions Requirements, applicants to the following programs must also meet the following selective criteria.

## Cardiovascular Sonography

The Cardiovascular Sonography program requires a program director interview and a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details. The Program Director interview takes into consideration previous academic performance, healthcare experience, and overall professional presentation. The outcome of the Program Director interview is considered in ranking applicants.

## Diagnostic Medical Sonography

The Diagnostic Medical Sonography program requires a program director interview and a criminal background check for admission. See the "Criminal Background Check" section in this catalog for details. The Program Director interview takes into consideration previous academic performance, healthcare experience, and overall professional presentation. The outcome of the Program Director interview is considered in ranking applicants.

## Polysomnographic Technology
